

We went Back to the Basics-

We want to make dining with us more affordable in this economy. To achieve this, we are going to do the things we do best – serve the best catfish & fixins in the River Valley. We will not lower our quality standards or our efforts to provide you with good service.

We want you to enjoy our restaurant offerings as often as you can at a more affordable price. We both win – we get to serve you more often and you save money!
